From a Cy Twombly Celebration to Imaginary Cowboys: 39 Must-See Gallery Shows in New York This March

It's time to hit the gallery circuit.

Sarah Cascone & Caroline Goldstein, March 1, 2018

The editors at artnet News searched New York City high and low for the most exciting, bizarre, and thought-provoking gallery exhibitions this March.

32. “Robert Beck: Vestige” at Ulterior Gallery

Formerly known as Robert Beck, the artist changed his name by one letter, to Buck, in 2008 as an art project investigating society’s patriarchal naming convention. Here, he presents Kodak instant photographs from 1979 and 1980, the first years he spent living in New York City.

March 9—April 15; 172 Attorney Street, opening reception 6 p.m. —8 p.m.
